The Library has changed it's fine structure. The new structure restricts patron check-out when \$5 in fines has been reached. The total late fees a patron can accu-

multate has been lowered to \$10 and the over due fee for DVD and Blue Ray rentals has been lowered to \$1 per day. All other fines remain the same.

Toy Drive

Donate a new, unwrapped toy through 12/19 and the Library will waive any late fees!

It's been another great year for Senior Club! Seniors have learned to create water color paintings, worked with clay, played countless rounds of BINGO, written poetry, and shared a Thanksgiving meal. If you've thought about stopping by but haven't had a chance, there's never been a better time to join! December means lots of treats and

holiday crafts and with January comes a whole new year of crafts, games, and fun! We hope you'll join us! Senior Club meets the 1st and 3rd Tuesday every month from 9am-12pm. During the winter months, if Henry County or Eminence Schools are closed, Senior Club is canceled for that week.

Queen of America: A Novel by Luis Alberto Urrea

After the bloody Tomochic rebellion, Teresita Urrea, beloved healer and "Saint of Cabora," flees with her father to Arizona. But their plans are derailed when she once again is claimed as the spiritual leader of the Mexican Revolution. Besieged by pilgrims and pursued by assassins, Teresita embarks on a journey through turn-of-the-century industrial America-New York, San Francisco, St. Louis. She meets immigrants and tycoons, European royalty and Cuban poets, all waking to the new American century. And as she decides what her own role in this modern future will be, she must ask herself: can a saint fall in love? "A gritty, bold, and much-anticipated sequel to *The Hummingbird's Daughter*... Fiercely romantic and at times heart-breaking but also full of humor, Urrea's latest novel blends fairy tale, Western adventure, folk tale, and historical drama. Fans of *Hummingbird* and readers new to Urrea's work will surely enjoy this magnificent, epic novel." - Library Journal

The Runaway Dinner by Allan Ahlberg

What happens if someone's dinner decides that, well, it doesn't want to be eaten? For a hungry little boy named Banjo and a savory sausage named Melvin, it's a plight that can only result in a breathless escape — and what a chase it is! Off speeds the sturdy sausage — leading fork, knife, and plate, chair and table, a handful of fries with various French names, and three fat little peas — out the door, down the street, and around the park, with poor Banjo taking up the rear. Will the famished boy ever catch them? And

what (gulp) happens to Melvin if he does? Allan Ahlberg is in his element with this fast and funny tale, while Bruce Ingman's kid-friendly illustrations add visual comedy to the chase.
