## **Procurement Policy - Model Procurement Code Adopted**

The Henry County Public Library Board of Trustees desires to make all purchases and contracts in a transparent and competitive manner that represents the interests of the library and the taxpayer. To achieve this, the Board has adopted the Kentucky Local Government Model Procurement Code, KRS 45A.345–460 at its May 22, 2014 Board meeting. The Henry County Public Library will make all contracts, leases, or other agreements for the purchase of materials, supplies, equipment, or contractual services in conformance with the provisions of the Model Procurement Code.

Adopted by the Henry County Public Library Board of Trustees this 22 day of May, 2014.
