- Hancock County Public Library – moved to a new location, and was closed for five weeks
- Lewis County Public Library – was closed for six weeks during move to a new library building.
- Livingston County Public Library – began operations as a legally established public library. Their data is for 17 weeks of service.
- Trimble County Public Library – was closed four weeks for a move to their new building

This Statistical Report, as well as those for the past seven years, is posted at http://kdla.ky.gov/librarians/plssd/Pages/LibraryStatistics.aspx. Additional maps and tables will also be made available on this web page.
