# Activity Badges

Choose three of the five activities to complete to earn a bonus badge, an extra drawing entry, and a prize.

## SCIENCE SUPERSTAR:

\_\_\_ Read a science fiction novel or short story. The time you spend reading also counts toward your reading badges.

\_\_\_ Take a walk and use your senses to observe what is going on around you. Write your observations down in your journal.

\_\_\_ Read a non-fiction book or a magazine article about any science topic.

\_\_\_ Complete a science experiment. Kits will be available at the library during kit pick up week or you can use supplies you have at home. Remember to follow all safety precautions.

\_\_\_ Watch a documentary or show about a science topic.

## CAN-DO CREATOR:

\_\_\_ Create an arts & crafts project by using recycled materials.

\_\_\_ Write a poem about creating. It could be about creating art through writing, drawing, painting, etc.

\_\_\_ Try something new. Find a type of crafting or an art process you'd like to try or use a material you've never created with before.

\_\_\_ Host a dance party for your family or friends and try out some new dance moves.

\_\_\_ Read a book about an artist, writer, inventor, etc. who created something new.

## MAGNIFICENTLY MINDFUL:

\_\_\_ Fill out a mood tracker for two weeks. You can use the one included with this log, download one online, or make your own.

\_\_\_ Deep breathing has many benefits if you do it regularly. Choose a week to practice a deep breathing technique at least four days.

\_\_\_ Start a journal. Kits will be available at the library during a kit pick-up day or you can use supplies you have at home.

\_\_\_ Make a list of things you are grateful for. Illustrate your list and share it with others.

\_\_\_ Read a book, article, or blog post about mindful practices.
