Hello Henry County Community,

Due to COVID-19 cases continuing to rise at a rapid pace, the Governor put forth new restrictions on Wednesday, November 18<sup>th</sup> to help slow the spread of the virus. These restrictions go through Sunday, December 13<sup>th</sup> and will be reevaluated at that time.

Therefore, to do our part to protect the community and to follow the Governor's restrictions, the library will be returning to curbside only service beginning Saturday, November 21<sup>st</sup>. Staff will be glad to bring materials to you and make copies and faxes for you without you having to leave your car. You may place an item on hold online or by calling the library (502-845-5682) and having a staff member do that for you. If you do not know what to choose, call the library and staff can help you. When you arrive to the library, call us and let us know you are here and we will bring your item(s) to you or retrieve your documents to copy or fax.

If you need to print out something from an email or from your phone, please email it to the library at [circ@henrylibrary.org](mailto:circ@henrylibrary.org) and call us to let us know that you have sent us a document and would like us to print it out. Also, we will continue to offer our notary service by appointment only.

At this time, our hours will remain the same; Monday, Tuesday, Wednesday & Friday: 10 am – 4 pm; Thursday: 12 pm – 7 pm; and Saturday: 9 am – 1 pm. Staff will also be available to answer any reference questions you have during these hours. The library does offer free Wi-Fi twenty four hours a day, seven days a week. Feel free to sit in your car or in a spot around our building and use this service any time. Don't forget to take advantage of our e-book and audiobook collection that can be found on our website.

Please continue to return all items to the book drop. Right now the library is not accepting donations of any kind but we hope to do that again soon.

We know that this is an inconvenience for many who like to browse our collection, use the computers and just be inside our beautiful new building. However, this is temporary and our hope is to have our doors open again as soon as possible! Our number one goal during this time continues to be the safety of our staff and patrons. Thank you for your continuing patience and support during this unprecedented time.

Henry County Public Library – Director
