

Teen Summer Learning 2021

Register and Log your reading and activities at www.henryLibrary.beanstack.org/reader365. Scan the QR code to go directly to the Beanstack site. If you do not have access to the internet you can use this log to keep track of your reading. Just make sure you fill out the registration form on the back of this sheet. Turn your log into the Library when it is finished and Library staff will help you enter your reading online.

Mark off a circle for every 20 minutes spent reading.
