

Teen Summer Learning 2023

Register and log your reading and activities at www.henrylibrary.beanstack.org/reader365. Scan the QR code to go directly to the Beanstack site. If you don't have access to the internet, you can use this log to keep track of your reading. Make sure you fill out the registration form on the back. Turn your log in to the library when it is finished and library staff will enter your reading online.

Mark off a circle for every 20 minutes spent reading. Read anything you want—books, magazines, newspapers, etc. Every three hours spent reading equals a badge, an entry into the grand prize drawing for a \$100 gift card to be used anywhere, and a prize. Prizes can be picked up at the library. Earn prizes and extra drawing entries by earning the three activity badges on the back of this sheet.

Activity Badges

Complete three of the five suggested activities to earn each badge and an extra drawing entry. Earn all three for a bonus book and a Frisbee.

Henry County Hero:

___ Design a bookmark and turn it in to the library. The bookmobile will pass them out through the Little Free Libraries across the county.

___ Read a book about a community helper and write a thank you note for a local community helper. Drop it off at the library and we'll will deliver it for you.

___ Being a good community member means supporting others. Support a local organization by donating supplies or volunteering your time. You can even donate to our annual food and supply drive for our local Family Resource and Youth Service centers.

___ Good friends make good neighbors. Read a fiction or non-fiction book about friendship.

___ Spread some kindness by doing something special for someone else. You could bring them a favorite treat, help them with a project, write them a nice note, or paint a Kindness Rock.

Happy Hobbyist:

___ Finding new hobbies can be fun. Try something new, like learning to count in a language other than English, a new type of arts and crafts, cooking a new recipe, etc.

___ Have a totally screen free day. Decide how you will spend your time. Come up with special activities, places to visit, or games to play. Remember, no checking social media or playing video games during your screen-free day.

___ Try a hobby that keeps you thinking; working a jigsaw puzzle, solving a crossword puzzle, or playing a trivia game.

___ Start a collection. You could collect anything: rocks, toy cars, stickers, leaves... Already have a collection? That's cool too! Show off your favorite thing in your collection by telling someone else about it.

___ Reading is an inexpensive hobby that is good for your brain. Spend time reading in different spaces to find your favorite reading spot.

Ground Breaker:

___ Make the world a more colorful place by planting some flowers or creating some flower art out of recycled materials.

___ Cook, bake, or make a dish using fresh fruits or vegetables.

___ Visit a local Farmers Market to see the variety of local food and crafts that are available in our area.

___ Read a book that takes place on a farm or talks about where food comes from. It can be fiction or non-fiction. When you're done write a thank you note to a farmer. Drop it off at the library and we'll deliver it for you.

___ Create a piece of artwork to represent your favorite food and where it comes from. It could be a painting, a collage, a sculpture, or any other art form you choose.
