INTRODUCTION

The Statistical Report of Kentucky Public Libraries, Fiscal Year 2011-2012 contains information taken from the Annual Report of Public Libraries. The statistical report is separated into seven sections:

- ⇒ A summary of library statistics for the most recent year, and comparisons with the three prior years.
- ⇒ A series of charts listing the top counties in various per capita library measures.
- ⇒ County by county library statistics in 87 categories. **New items include:**
 - **Electronic Materials Expense – Item #14**
 - **Main Library, Hours Per Year – Item #28**
 - **Branches, Hours Per Year – Item #29**
 - **Square Feet, Branch Libraries – Item #33**
 - **Material Circulated, All Branches – Item #68**
 - **Freegal, Number of Downloads – Item #82**
- ⇒ A select group of statistics arranged in order of county population. Counties are also ranked in the selected statistics section. **Fringe Benefits is included in the rankings this year, Item #11**
- ⇒ A glossary of terms used.
- ⇒ A special section of statistics including county ranks is offered again this year. Please check out these interesting ways to measure your library, on pages 68 to 79. **Three new statistics are found here:**
 - **Book Circulation, % Increase Over Previous Year**
 - **Number of E-Books Added to the Collection Over the Previous Year**
 - **County Population, per Internet Terminal**
- ⇒ A revised list of recommended links to web sites devoted to public library statistics is on page 80.

Some county statistics and rankings do not reflect a complete year of operations in fiscal year 2011-2012:

- Ballard/Carlisle Public Library – the library was closed for renovation. The main library was open for eight weeks.
- Hancock County Public Library – moved to a new location, and was closed for five weeks
- Lewis County Public Library – was closed for six weeks during move to a new library building.
- Livingston County Public Library – began operations as a legally established public library. Their data is for 17 weeks of service.
- Trimble County Public Library – was closed four weeks for a move to their new building

This Statistical Report, as well as those for the past seven years, is posted at <http://kdla.ky.gov/librarians/plssd/Pages/LibraryStatistics.aspx>. **Additional maps and tables will also be made available on this web page.**

WEB LINKS TO PUBLIC LIBRARY STATISTICS AND RESOURCES

Kentucky Department for Libraries and Archives “Public Library Statistics” --

<http://kdla.ky.gov/librarians/plssd/Pages/LibraryStatistics.aspx>

This section of the KDLA web site contains links to the Statistical Report of Kentucky Public Libraries, library comparisons, and other library statistical resources.

Informata Connect -- <http://connect.informata.com>

Connect is a powerful, easy to use online statistical tool for creating tables and graphs comparing libraries throughout the country. Connect is licensed to all Kentucky public libraries, their staff and trustees. You will need a login and password to use the program. Internet Explorer browser only.

Kentucky State Data Center -- <http://ksdc.louisville.edu/>

This site, newly redesigned, is an essential resource for demographic information about Kentucky and its counties.

American Library Association, Office for Research and Statistics -- <http://www.ala.org/Template.cfm?Section=ors#>

ORS offers a wide range of information and links to studies of all types of libraries.

Library Research Service -- <http://www.lrs.org/>

“The Library Research Service generates library statistics and research for library and education professionals, public officials, and the media. LRS reports and analyzes statistics on school, public, and academic libraries, and conducts studies on major library issues that are reported in the Fast Facts and Closer Look series.” LRS is a highly recommended site with local, national and states’ resources.

Institute of Museum and Library Services – Library Statistics -- <http://harvester.census.gov/imls/>

Beginning in 2008 the Institute of Museum and Library Services (IMLS) administers two library surveys previously conducted by the National Center for Education Statistics (NCES). The Kentucky Department for Libraries and Archives provides input for both the Public Library Survey and the State Library Administrative Agency Survey.
