Marcia reported that the grant committee met to discuss the t-shirts to be purchased with grant money for the officers, board members and active members, including the shirt color, the wording to appear on the back and the design for the front. The color is yellow, wording on back is "Where Friends and books meet." On the front will be our Friends logo.

Another front option is the addition of a book on the front. Marcia Duncan is ordering the shirts and she will need sizes of all officers, board and active members. T-shirts are to be made using the Maker Space equipment.
